

Wisdom – Planning Programs

What are we talking about?

We're talking about something you set up that helps you fulfil your mission.

What are they for?

They help you achieve your aims.

'You marry your mission. You're committed to it and vow to love it and pursue it for the rest of your life and promise never to cheat on it or leave it for another. For better for worse. For richer or poorer. In sickness and in health, till death do you part. You marry your mission'.

Craig Hamilton, Wisdom in Leadership, p360.

Of our relationship to programs he says, "While you marry your mission, you hold hands with your programs. Programs aren't forever. Love them, care about them, enjoy them, but don't make promises to them. Just hold hands'.

Craig Hamilton, Wisdom in Leadership, p360

1. Is what we're bringing them in with what we want to keep them with?

2. Is what we're doing achieving what we want?
