

Planning

Working with the Rhythms of Your Context

1. Your context has a rhythm to the year
2. Your Church has a rhythm to the year
3. Your Church has multiple rhythms to the year

1. Work out the events in the year:
2. Work out the shape of the year:
3. Work out the feel of the year:

1. Insert the big events
2. Identify the regular events
3. Ask the key timing questions
4. Make programming decisions

Play it out in practice for a variety of people ...
