The coaching process

Connect with one another and the Lord

What do you think God is teaching you at the moment?

Celebrate progress

How have you seen things develop?

Clarify the issue

What issue do you want to address today?

Consider the factors

Tell me more...

Create some solutions

What could you do?

Choose an option

Which one is best?

Commit to implement

How will you make that happen?

Cry out to the Lord

What can we pray?

The mentoring conversation

*How are **they** doing?*

*How is the **plant** doing?*

*How are the **plans** going?*
